

HABITAT FOR HUMANITY OF SOUTH PALM BEACH COUNTY ■ DELRAY BEACH, FLORIDA

PROJECT HIGHLIGHTS

- FCLF Loan \$850,000
- Building Acquisition Loan
- 4600 square-foot office building for headquarters of Habitat for Humanity affiliate

Habitat for Humanity of South Palm Beach County builds and renovates homes in Boynton Beach, Delray Beach, and Boca Raton. Since the organization was established in 1991, it has helped over 120 families purchase safe, decent, and affordable homes. Habitat South Palm Beach also helps homeowners with needed repairs through its neighborhood revitalization program. The organization collaborates with local municipalities, and some of its new homes are built on previously vacant lots that were acquired through these partnerships.

With financing from Florida Community Loan Fund, Habitat for Humanity of South Palm Beach County purchased its office building in downtown Delray Beach. By reducing occupancy costs, the purchase frees up resources that will directly benefit the community and the low-income families who live there.
